Ganapathy Iyer Girls High School - Gopalapuram  
Report for Excursion - Tamil - T. Dhivani 2018

This Excursion was the first excursion in my life. I enjoyed this Excursion. It is very valuable for my Education and General knowledge. I took many Information in this excursion.

First we went the flying train station. That station is at mylapore. That station is not clean. After, the train came we all entered the train. We all were sit silently for a few minutes and after we started singing. On the way to velacherry after 5 stations. We across my teacher's college. In the Journey period we came across 14 stations. Next we returned to mylapore. Again we started our travel with Dancing and singing. On the way to Egmore museum and Library we crossed Marina Beach; Sathome church; Sindhathi petal Railway station; Egmore Baby Hospital. We saw many statues on the Marina Beach. We entered the entrance of Egmore museum and Library. This museum was built by Britishers before independence. First in the entrance we saw the Fossil trees. This tree was changed into stone before two hundred and lakhs years. Next we saw different types of stones in different galleries. They are

- \* Aquarium Gallery.
- \* Coins Gallery.
- \* Statues Gallery.
- \* Bronze Gallery.
- \* Gold, silver Gallery.
- \* That Galleries are very useful and we took more information. In the Excursion "We learnt more and wondered how many things are in the world to learn. Next, we went to kannimona library. In the library we learnt how they arrange the book according to topics, authority, language etc. There is one section called reference section. In that many reference book are kept to refer. In Library, I read a poem written by Jaul Marugan one of the poem which is inspired me is as follows.
- \* Art Gallery.
- \* Children Gallery.
- \* zoological Gallery.
- \* Biological Gallery.
- \* Mammals Gallery.

In each section there are many people sit & look and read the books slowly seeing this it was surprised me to learnt more books. The travel time of Excursion is very short, but the information I took learnt was very large. This was very enjoyable and Educational too. I thank the teacher for arranging this type of excursion. The last I want to mention is that the place is visited was clean & Green. So I want my school also like that place.

On 2<sup>nd</sup> July I was very surprised in the morning because, in my school I went an excursion with my friends and teachers. It was a great gift to me. My surprise was continued. It was started in Mylapore Railway station. We wait for a flying train. After a few minutes we heard a sound of the train. The train came speedily. The train was stopped in the place and we were went inside the train. With in a few minutes the compartment was full. The train moving slowly and picked up a great speed. on the way that we were very happily saw the so many beautiful places. Next we went to museum. It was a valuable and important place. we saw so many great and valuable things, we saw the model cave temples and so many paintings they classified the items according to the different topics. we saw so many machines and paintings represent various cultures.

we saw old governor's vehicle. we were very very happy.

Finally we came to our school. From there I proceed to my home. After took rest I shared my excursion with my family members about my excursion.

I am very happy and the trip was very useful and informative.

HAPPY ENDING.....
